Inclusion and diversity

Beaumaris Secondary College strives to provide a safe, inclusive and supportive school environment which values the human rights of all students and staff.

Beaumaris Secondary College is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Beaumaris Secondary College acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Beaumaris Secondary College we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Beaumaris Secondary College will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (e.g. schools sports, concerts, formals, excursions, incursions) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

Beaumaris Secondary College is committed to providing a safe, inclusive and stimulating learning environment for all students. The College believes that students can only reach their full potential when they are engaged, healthy and safe. A progressive, supportive and shared school culture provides a strong foundation to create a school environment that is inclusive and responsive to the diversity of learners.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Beaumaris Secondary College. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Reasonable adjustments for students with disabilities

Beaumaris Secondary College also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers.

Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Beaumaris Secondary College may consult through Student Support Group processes and in other less formal ways. For more information about support available for students with disabilities, and communicating with us in relation to a student's disability, please refer to our school's [Student Wellbeing and Engagement](#) policy or contact our Inclusions Coordinator for further information.

Disability Inclusions

Beaumaris Secondary College will follow Department of Education Disability Inclusions policies to ensure every student at every ability thrives at school and in life. To support inclusive practice in school, a tiered funding model is implemented.

The Disability Inclusion funding model has 3 tiers, based on the increasing level of need for educational adjustments and targeted support:

- **Tier 1 – Core student learning funding:** funding for all students' core learning needs through the Student Resource Package (SRP). This funding includes students with disability and additional needs.
- **Tier 2 – School-level funding:** additional funding to strengthen capacity and capability to deliver adjustments and inclusive practice for students with disability.
- **Tier 3 – Student-level funding:** additional funding to Tier 1 and 2, to support schools to deliver adjustments for individual students with complex and high needs.

Beaumaris Secondary College will complete the Disability Inclusion Profile process to help the school and family identify the strengths, needs and educational adjustments schools can make to assist students with disability. Beaumaris Secondary College will work with regional support staff and Department of Education Implementation Team to help students with a disability take part in their education on the same basis as their peers.
