DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network and any device that may connect to or have a similar functionality to a mobile phone such as smart watches.

POLICY

Beaumaris Secondary College understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Beaumaris Secondary College:

Personal mobile phone use

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at Beaumaris Secondary College are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Beaumaris Secondary College does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the [Example School's Personal Property Policy AND/OR the Department's [Personal Goods policy](#)
